

REFERRAL NEWSLETTER | APRIL UPDATE

Expanding Access to Advanced Pain Care

Florida Spine & Pain Institute continues to grow with a clear mission: deliver exceptional, patient-centered care while supporting our referral partners with reliable, high-quality outcomes.

This month, we're excited to share key updates, including a new clinic, a new specialist, and expanded services.

Now Open: Kissimmee Clinic

We are proud to announce the opening of our newest location in Kissimmee, now accepting new patients and referrals.

This expansion allows us to provide:

- Advanced interventional pain treatments
- Minimally invasive, image-guided procedures
- Faster access to care for your patients

Welcoming Dr. Thomas Mathew

PHYSIATRIST & INTERVENTIONAL PAIN SPECIALIST
22+ YEARS OF CLINICAL EXPERIENCE

We are pleased to welcome Dr. Thomas Mathew, a board-certified physician specializing in Physical Medicine & Rehabilitation and Interventional Pain Management.

Dr. Mathew is known for his patient-centered approach, focusing on restoring function, reducing pain, and improving quality of life.

Clinical Expertise

SPINE PROCEDURES

- Epidural steroid injections (lumbar, cervical, thoracic)
- Facet joint injections & medial branch blocks
- Sacroiliac joint injections

JOINT & PERIPHERAL TREATMENTS

- Hip, shoulder, & knee injections
- Nerve blocks & bursa injections
- Trigger point injections

ADVANCED THERAPIES

- Botox for chronic migraines, dystonia, & spasticity

DIAGNOSTICS

- EMG/NCS studies for neuropathies & radiculopathies

Supporting Skilled Nursing Facilities

We partner with Skilled Nursing Facilities to deliver **on-site interventional pain management**, helping patients:

- Reduce pain and inflammation
- Improve mobility and independence
- Participate more effectively in therapy
- Decrease hospital readmissions

Experienced Provider Team

Our multidisciplinary team of board-certified providers delivers specialized, compassionate care across all locations.
