OUR MISSION

At Florida Spine & Pain Institute, we deliver exceptional care across both post-acute and outpatient settings — bridging the gap between skilled nursing facilities, assisted living communities, and specialized outpatient care throughout Central Florida.

DARA SANCHEZ DE PLACER FEATURED IN ORLANDO MAGAZINE

THE VALUE OF PHYSIATRY IN POST-ACUTE CARE

Our physiatrists restore function, manage pain, improve mobility, and support safe transitions from facility to home — reducing avoidable readmissions and ensuring continuity of care.

For post-acute referrals, contact:
Kate Palazzolo | 517-862-2090 | snf@drpainzapper.com

Thank you for your continued partnership. Together, we are improving patient outcomes and creating a stronger continuum of care throughout Central Florida.
